## The Messy Message: Walking in the light

Be plugged into Jesus and walk in the Light!

“Walking down the street, Jesus saw a man blind from birth. His disciples asked, “Rabbi, who sinned, this man or his parents, causing him to be born blind?” Jesus said, “You’re asking the wrong question. You’re looking for someone to blame there is no such cause and effect here. Look instead for what God can do. We need to be energetically at work for the One who sent me here, working while the sun shines. When night falls, the working day is over. For as long as I am in the world, there is plenty of light. I am the world’s light. He said this and then spat in the dust, made a clay paste with the saliva, rubbed the paste on the blind man’s eyes, and said, “Go, wash in the Pool of Siloam.” The man went and washed– and saw” John 9:1-20 (The Message)

“You are the light of the world. A city built on a hill cannot be hid. No one after lighting a lamp puts it under the bushel basket, but on the lampstand, and it gives light to all the house. In the same way, let your light shine before others, so that they might see your good works and give glory to your Father in heaven.” Matthew, 4: 15-16.

## Parents! Here's another idea:

Shadow animals: you will need a lamp, some patience and friends to giggle with and make other animals for yours to play with.

Here's a guide: how many can you do?

Now try it without looking at the chart...
