Today our topic will be '**Beauty**'. Please do come along. For more information please talk to Louise or Silas.

Lite Bite Café. Thank you to all our current volunteers. Over the last few weeks we have had a number of incidents at the Project. A few 'live wire' students, mixed in with staff holidays, has meant the partnership has been pushed hard. Our volunteers meet tomorrow, Monday 15th at _____am/pm March in the main hall to discuss new ways to work alongside our young people. We have already moved some of the students around so they are less likely to rub each other up the wrong way. We have, sadly, had our

first student being asked not to return – the first in 18months. Volunteers are not just about being on site when the students are around but can help in a whole range of other ways, including prayer for the staff, volunteers and students, laundry – the more students we have the more towels and aprons need washing, help on the computers and of course helping with the kitchen & front of house. Please have 5 minutes thought to see if you can be part of our project. Come to the meeting, leave a note for Rob or give us a ring
